DEAR GROUP PARTNERS!

We are delighted to present you our programme suggestions.

These group packages have been specially designed for groups, combining highlights from our Hall-Wattens Region, in the very heart of the Tyrol. Enjoying a location that is, both from a transportation and a geographical perspective, quite ideal, the region allows for many different programme combinations, as well as

being perfectly suited for the occasional overnight stop-off. In addition, there is an area for bus parking in the center of Hall in Tirol, just a few minutes walk from the Old Town, which all groups are welcome to use free of charge. Each programme can be "tweaked" however you prefer, and can of course also be booked in other accommodation ca-

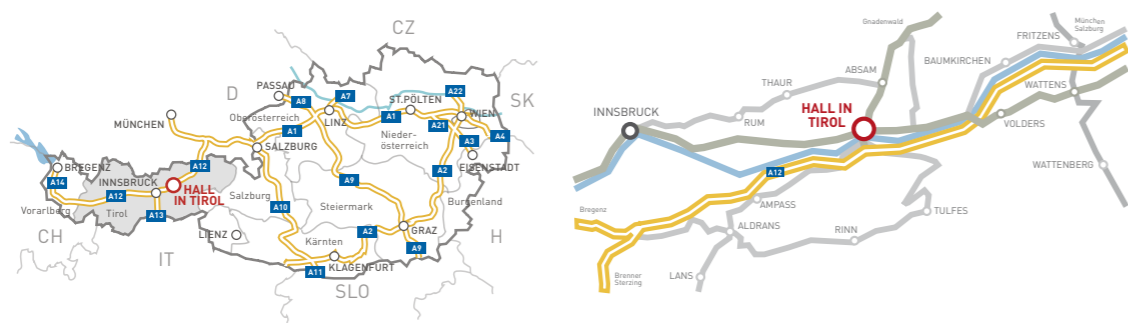

tegies. On request, we would also be more than happy to offer you packages that are completely custom-tailored. We look forward to receiving your enquiry!
